Ronald Blue Trust Opens Office in Virginia

New Office Brings Total Office Count to 18 for Ronald Blue Trust

Ronald Blue Trust is proud to announce the grand opening of our newest office location in Virginia. This expansion marks a significant milestone in our journey, reflecting our commitment to providing unparalleled biblical, wealth management strategies and trust services to our clients nationally.

At Ronald Blue Trust, we aim to help clients make wise financial decisions, live generously, and leave a lasting legacy. Since our inception in 1979, we have been unwavering in our dedication to applying biblical wisdom and technical expertise to help clients make wise financial decisions with clarity and confidence. We serve people across the wealth spectrum, from individuals who need every day financial advice to multi-generational families who require complex family office services to business owners who need custom consulting.

Our new location in southwestern Virginia signifies a substantial investment in both our business and the community we serve. This expansion is a testament to our growth and continued success in our private wealth division. The facility has been thoughtfully designed and staffed to enhance our estate and philanthropic planning strategies and streamline our operations, ensuring that we maintain the highest standards with clients that we serve nationally. We currently have several full-time staff in the Virginia office, a team member in the Atlanta Office, and are looking to continue to expand at our Virginia office and nationally.

“We are thrilled to open our new location in southwestern Virginia, and we look forward to building lasting relationships with our clients and partners in the state and throughout the U.S.,” said Eric Ratliff, Director of Estate and Philanthropic Planning. “This expansion represents a new chapter in our journey, and we are excited to continue to serve our clients and grow alongside the community here in southwestern Virginia. We want to be an employer of choice in Virginia, and we want to offer high paying job opportunities to local residents and recent college graduates,” said Nick Stonestreet, CEO of Ronald Blue Trust.
